Chorale In Ab

By: Roger Garcia

This exercise for Hornline can be performed in your warm-up arc, treating each bar as a fermata, or simply conducting a rubato tempo. Additionally, this exercise is designed to be played in tempo, while marching the "Madison Scouts Block" visual exercise. This exercise will aid your Hornline in shaping the music while moving their feet. Below is the suggested visual "roadmap" for the "Chorale In Ab" played while marching the "Madison Scouts Block". Additionally, double barlines in the music indicate direction changes.
